Safeguarding Policy

1. Purpose

This Policy aims to set out approaches and procedures to safeguarding and promoting the welfare of children and vulnerable adults by the Manusher Jonno Foundation (MJF). It applies to all aspects of MJF's works and to everyone working for it, including permanent and temporary employees, consultants, members of the Governing board, staff members of the partner organizations, beneficiaries, contractors and vendors.

2. Strategic Context

MJF is committed to provide an environment free from discrimination and harassment, where all individuals, partner organizations and other stakeholders are treated with respect and dignity and have equal opportunities at all level. MJF supports the principles contained in the Universal Declaration of Human Rights (UDHR) and the in the Constitution of Bangladesh. These clearly state that no one can be discriminated on the ground of class, gender, caste, religion, profession, ethnicity and sexual orientation.

Safeguarding does safe MJF's approach, practice and culture to a comprehensively safe environment for all people that the organization engages with. It has a comprehensive set of policies and procedures, i.e., Human Resources Management and Development, Procurement, Financial Management, Child Protection, Gender, Human Rights etc.

Although MJF does not have a separate Safeguarding Policy, however, some of the related issues are covered in the above-stated polices.

In March 2018, the donors for the MJF, the DFID has announced that there would be new and enhanced safeguarding standards for DFID's partners. The enhanced Due Diligence Assessment (DDA) has prescribed for safeguarding children and vulnerable adults from sexual exploitation and abuse. This will be covered in partner's policies and procedures on safeguarding, human resources, whistleblowing, risk management, code of conduct and governance.

Therefore, this Safeguarding Policy is adopted in line with MJF’s commitment for providing an environment free from discrimination and harassment along with the recommendations of the donor.

If a safeguarding concern is disclosed directly to a staff member, the person receiving the report should bear the following in mind:

- Listen
- Empathize with the person
- Ask who, when, where, what but not why
- Repeat/ check the understanding of the situation
- Report to the appropriate staff member

- Dates(s), times(s) and location(s) of incident

Any staff member receiving or coming across any information or alleged incident of abuse shall report to the Safeguarding Officer immediately or within 24 hours at the latest.

Confidentiality

Due to the sensitive nature of safeguarding concerns, confidentiality must be maintained during all stages of the reporting process, and information shared on a limited 'need to know' basis only. This includes senior management who might otherwise be appraised of a serious incident.

12. Roles and Responsibilities for Case Management

The Safeguarding Officer will be the key person in managing the case.

If the report alleges a serious safeguarding violation, the Safeguarding Officer may wish to hold a case conference. This should include:

- HR Manager/Coordinator

The case conference should decide the next steps to take, including any protection concerns and support needs for the survivor and other stakeholders.

13. Provide Support to Survivor where needed/requested

The Safeguarding Officer, in consultation with the senior management, will provide appropriate support to survivor(s) of safeguarding incidents, if requested. This will be in line with the operational plan.

Assessing protection or security risks to stakeholders

For reports relating to serious incidents: Safeguarding Officer will undertake an immediate risk assessment to determine whether there are any current or potential risks to any stakeholders involved in the case, and develop a mitigation plan if required.

Safeguarding Officer will continue to update the risk assessment and plan on a regular basis throughout and after the case as required.

- Immediate disciplinary action if no further information needed
- Referral to SMT

If the report concerns associated personnel (for example contractors, consultants or suppliers), the decision making process will be different. Although associated personnel are not staff members, however, the MJF has a duty of care to protect anyone who comes into contact with any aspect of our programme from harm. MJF cannot follow disciplinary processes with individuals outside the organization, however, decisions may be made for example to terminate a contract with a supplier based on the actions of their staff.

If an investigation is required and the organization does not have internal capacity, MJF will identify resources to conduct the investigation.

15. Decision on Outcome of Investigation Report

Senior Management Team (SMT) will make a decision based on the information provided in the investigation report. Decisions relating to the Subject of Concern should be made in accordance with existing policies and procedures for staff misconduct.

If at this or in any stage in the process criminal activity is suspected, the case should be referred to the relevant authorities *unless this may pose a risk to anyone involved in the case*. In this case, the SMT together with other senior staff will need to decide on how to proceed. This decision should be made bearing in mind a risk assessment of potential protection risks to all concerned, including the survivor and the Subject of Concern.

In case of failure to act upon suspected or reported the victim will directly contact with the Ombudsperson.

The Safeguarding Officer will document all decisions made resulting from the case clearly and confidentially.

16. Learning and Improving

MJF, through implementation of this policy, is determined to keep improving knowledge and understanding of how best to protect children and vulnerable adults. It is to review related practices bi-annually to check whether it was effectively preventing and managing safeguarding in the work. The policy will be reviewed a year after development and then every two years, or in the following circumstances:

- Changes in legislation and/or government guidance
- As a result of any other significant change or event.
