

MotherSchools Project, Manusher Jonno Foundation: Impact Study Report

Since MotherSchools inception in Bangladesh from January 2021, Manusher Jonno Foundation (MJF) has been implementing this project at Dhaka North and South city corporation areas. With a support from Women without Borders, more than 500 mothers have been graduated through this project who are now capable in combating violence and creating peace and harmony at their community utilizing their skills on peace parenting. This is an impact report of the project published by Women without Borders.
